Eutelsat's HOTBIRD selected by Kabelio for new Swiss HD platform

- *Multi-year agreement to support new DTH platform*
- *Leveraging unparalleled reach of Eutelsat's premier broadcast hotspot*

Paris, 15 October 2020 Eutelsat Communications' (Euronext Paris: ETL) HOTBIRD video neighborhood has been selected by Switzerland's Kabelio

AG for the launch of a new Swiss direct to home HD platform. This multi-year contract will enable Kabelio to leverage the unparalleled reach of Eutelsat's premier hotspot to launch a service targeting Swiss audiences both at home and throughout Europe.

Launched mid-October, Kabelio's new line-up features both domestic and international channels, and includes 34 premium TV channels in HD quality including entertainment, sport, news and documentaries, supplemented by a range of free-to-air channels in various European languages.

Commenting on the contract, Apostolos Triantafyllou Eutelsat's Vice President of Sales, DACH, CE & SE Europe said: *"We are delighted to welcome Kabelio aboard HOTBIRD and to support the launch of a new HD platform in Europe. This agreement highlights the unmatched reach of EUTELSAT HOTBIRD, as well as the resilience of the European broadcast landscape."*

Kabelio Chief Executive Officer, Damir Krilcic added: *"Kabelio's new platform aims to address Swiss DTH satellite households offering them a range of premium channels many of which have not previously been offered by satellite. We are excited to partner with Eutelsat to launch this new service offering."*
